

Accounting Education Special Interest Group (SIG 5) Symposium, Melbourne, Australia

‘Wiping the Slate Clean’: A new decade full of new content and new approaches

Call for papers, Presentations and Interesting Innovations

Saturday 04 July, 2020

In Conjunction with the 2020 AFAANZ Annual Conference

Join us in Melbourne, Australia for a chance to take part in a symposium on accounting education that will explore what is possible and what needs to change. The symposium celebrates best practice education and research through a program of papers, panel sessions, and presentations by academics and industry.

This year the symposium will engage you with the theme “Wiping the Slate Clean”. Inviting participants to explore what they teach, why they teach it and what they can change to create a learning environment in accounting education that embraces the changes we face in the 2020s.

We will endeavour to explore topics such as:

- The integration of technology and data analytics into the accounting curriculum
- The use of data visualisation in the classroom.
- Ways technology can be used to enhance the learning environment.
- What is currently being taught, and why what is currently being taught has lost relevance.
- How publishing in accounting education journals enhances the educational experience of students.

Accounting Education Special Interest Group (SIG 5) Symposium, Melbourne, Australia

Contributions to the symposium in the form of papers, workshop sessions (including the resources workshop outlined below) are invited from educators, industry members and professional bodies. Abstracts will be peer reviewed.

In addition to the research papers presented and providing an opportunity to meet and discuss ideas, share best practice and suggest directions for future research, we are continuing several previously offered sessions:

- **Resources Workshop.** Do you have any interesting videos, YouTube clips, music, videos, artefacts relevant to accounting and the symposium's themes? We'd like to know. You will be asked to showcase your resource in this session.
- **Student Engagement Strategies.** Share new and innovative learning and teaching strategies with the accounting education audience.
- **Poster Sessions.** Have an emerging idea that you would like feedback on? Want to share and engage other accounting educators? Submit your idea to host a poster session this year!
- **Engaging Emerging Scholars in Education.** HoD nominations for HDR students engaged in Accounting Education PhD Research and Scholarship. Students will be asked to discuss their research, the highlights and their journey. Send an expression of interest to the committee if you would like one of your students to be a part of this session. A modest degree of funding to attend is available.
- **Professional Development Session.** Special guests will be announced on a rolling basis up to the symposium date.

Submissions, nominations and expressions of interest should be made electronically. For further information or to make a submission please email us at edsigafaanz@gmail.com.

The deadline for abstract submission is 1 May 2020. Earlier submission is encouraged. Please note: for paper presentations, please submit a full copy of the proposed paper.

Authors will be notified of acceptance by 14 May 2020 and will be required to notify us by 18 May 2020 of intention to attend and present.

The SIG 5 Committee looks forward to meeting you all in Melbourne for what promises to be an engaging and invigorating experience.
